Best wishes for 2007!

First of all, we would like to wish you all good health and happiness in the new year. We sincerely hope that the service we have been giving you last year will be an inducement for you to entrust us this year with the handling of your goods, both oceanfreight, airfreight, storage and distribution. We promise you, that we will do the utmost to make sure that our service will be even better in 2007. Thanks for your trust and support !

Anniversaries

This time we were pleased to celebrate three anniversaries. Last week our colleagues Nita Jahani (financial department) and Iris van Lieshout (sales department) both celebrated their 5 year anniversary, while at the end of 2006, Ger Smit (import department) was celebrating his 12,5 year anniversary. All three of them were rewarded with the golden five guilder coin, flowers and other gifts. Congratulations !

Change of service: Mersin

To avoid problems with custom clearance in Istanbul, we have decided to transship cargoes for Mersin via Beirut, Lebanon. As a result of this change of service, we do no longer have to charge you a minimum rate for Mersin. We trust, we have made the right steps to avail you with a better service.

Turkey: piece count

The customs in Turkey is requesting clarification of the number of pieces and packages. Please make sure to mention this as precise as possible. For example: 2 pallets containing 85 cartons each + 1 pallet containing 60 cartons = 230 cartons.

Surcharges available at www.cleve.nl

Please note that, from now on the list of actual surcharges can also be viewed online. Through this way, you always have the most recent information available.
