INTRODUCTION: OUR REEFER DEPARTMENT

In order to meet the increasing demand in providing their customers with information on temperature controlled transports, Cleve & Zonen has decided to set up a separate Reefer Department.

Experienced staff in the field of temperature controlled transports will assist our customers to create tailor made solutions and to find easy ways and means to ship their temperature controlled cargoes all over the world.

For all of your enquiries, please contact our Mr. Rob Bergen at:

E: r.bergen@cleve.nl
T: +31-(0)10-4284773

We are here to assist you!

CHANGE OF SERVICES (CARIBBEAN)

Please note that with immediate effect destinations in Puerto Rico and Dominican Republic will be served via Cartagena in stead of via Miami.

As a result, transit times to these destinations will be shorter and the risk of delays in the port of transshipment will be reduced.

CHANGE OF SERVICES (SOUTH AMERICA)

As per June 1st, both our service to Cartagena as well as our service to Montevideo will change from a fortnightly service to a weekly service.

We believe a more frequent service to Cartagena and Montevideo helps us to further strengthen our overall services from Rotterdam or Antwerp to South America.

SPOTLIGHT ON PERU

Kindly be informed that Cleve & Zonen, in cooperation with its agent, operates fast and reliable consolidation services to and from Callao.

We would like to invite you to try our services to and from Peru. Our Customer Service Team is eager to assist you with your requests.

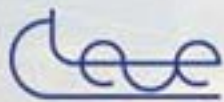

CLEVE AT TRANSPORT LOGISTIC FAIR

Cleve & Zonen will attend the Transport Logistic Fair in the New Munich Trade Fair Centre from May 10 to May 13, 2011.

The organisation of the trade show is expecting more than 1,800 exhibitors from all over the world to take part in Transport Logistic and the integrated Air Cargo Europe Conference. Together these exhibitors will cover the entire spectrum of global, intermodal movement of goods on the roads, rail, water and in the air.

Please feel free to visit us in the Port of Rotterdam booth (315 / 416) in Hall B4.

CLEVE BULLETIN - MAY 2011

REMINDER: MARKS & NUMBERS

We kindly request you once again to ensure that all cargoes are port-marked with at least the name of the consignee. The marks and numbers on the bill of lading have to be exactly the same as on the actual cargo.

In case the bill of lading and/or cargo do not indicate any marks and numbers, we will not accept any responsibility in case cargo will be switched or released to the wrong consignee. It is compulsory in many countries for marks and numbers to be mentioned on the B/L and cargo manifest.

NEW REGULATION LEBANESE CUSTOMS

Kindly note that the Lebanese Customs issued a new directive. All incoming cargo must be accompanied by a commercial invoice showing the HS code for each product. This will be effective from May 15, 2011.
