* For shipments to Nigeria, a Cargo Tracking Note (CTN) is required. The CTN must be issued by either the shipper or the forwarder. The CTN number must be provided to Cleve & Zonen B.V. before container loading. In case we have failed to receive a CTN number, your shipment cannot be loaded and will be postponed to the next available vessel. We will charge you an intervention fee of Eur. 35.00 per shipment in addition.
