* For shipments to Nigeria, a Cargo Tracking Note (CTN) is required. The CTN must be issued by either the shipper or the forwarder. The CTN number must be provided to Cleve & Zonen B.V. before container loading. In case we have failed to receive a CTN number, your shipment cannot be loaded and will be postponed to the next available vessel. We will charge you an intervention fee of Eur. 35.00 per shipment in addition.

All changes or new surcharges are marked in blue !
